#### **PLEASE NOTE:**

- To allow Quarantine access to all areas of machinery, it may require the machinery to be dismantled, holes cut in channels, electrical harnessing's undone or removed, window seals removed, floor coverings removed, seats removed, joy stick boots removed, cutting blades or teeth removed, air cleaner filters destroyed and lights loosened or removed.
- These are just some of the requirements that may need to be done.
- Luckens Fumigation Services do not replace or reassemble these types of items.
- Please forewarn your clients not to expect their machinery to be presented to them as they may have purchased it.

*Thank you*
